Material Safety Data Sheet

Rig Wash Liquid 1000 LTR (RXSOL-34-1042-1000)

1. Product and Company Identifaction

Porduct Name	Rig Wash Liquid
Part Number	RXSOL-34-1042-1000

acCompany Details:

RX MARINE INTERNATIONAL
105, A wing , BSEL , TECH PARK.
VASHI ,NEW BOMBAY 400703 INDIA

Branch : Kandla, Mumbai , Chennai, Vizag, Kolkata, UAE , OMAN , CANADA and KENYA

Phone	+91 22 20871200 - 1400
Fax	+91 22 27612100 :::AOH :0091 9821214367
Email	mail@rxmarine.com
Website	www.rxmraine.com

2. Composition / informationon ingredients

IONIC – SURFACTANT , FATTY ALCOHOL, SULPHONATED-LAB

3. Hazards Identification

Signal Word	No data available
Hazard Statements	No data available
EYES:	May irritate eyes.
SKIN:	May irritate skin.
INHALATION:	May irritate nasal passages, respiratory tract and mucous membranes.
INGESTION:	May cause gastrointestina disturbances
Precautionary statements	No data available
Classification of the substance or mixture	No data available
Supplemental Hazard Statements	No data available
Other hazards	This product is an alkaline liquid. Avoid contact with strong acids. Do not store in metal containers.

4. First Aid Measures

General advice	No data available
If inhaled	No data available
Eye Contact	If exposed, flush with water for 15 minutes and get medical attention.
Swallowed	No data available
Skin Contact	Wash with plenty of water. Seek medical attention if irritation persists
Inhalation	Get fresh air if exposed and seek medical attention if condition does not improve
Ingestion	If ingested, drink water and seek immediate medical attention. Never give anything by mouth to an unconscious person.
Most important symptoms and effects, Symptoms/injuries after inhalation	No data available
Symptoms/injuries after skin contact	No data available

Indication of any immediate medical attention and special treatment needed	No data available

5. Fire-fighting Measures

Flammability	No data available
Suitable extinguishing media	Use dry chemical, foam, carbon dioxide or water spray for fires involving this product.
Unsuitable extinguishing media	No data available
Special hazards arising from the substance or mixture	No data available
Further information	No data available
Hazardous combustion products	No data available
Advice for firefighters	7 is a non-combustible liquid; Fire fighters should wear self contained breathing apparatus with full face masks. Use dry chemical, foam, carbon dioxide or water spray for fires involving this product.
Protection during firefighting	No data available
Protective Equipment	No data available
Specific Hazards Arising from the Chemical	No data available
Reactivity	No data available

6. Accidental Release Measures

Personal precautions, protective equipment and emergency procedures	No data available
Spillage	No data available
For non-emergency personnel	No data available
Protective equipment :	No data available
Emergency procedures :	No data available
Personal Protection	No data available
Enviromental Precaution	No data available
Methods and materials for containment and cleaning	No data available
Reference to other sections	No data available
Protective equipment :	No data available
Other information	Absorb and collect product and containerize for reuse. For product that cannot be reused and must be disposed of, appropriate disposal methods should be followed. Dilute or flush with plenty water or Management and disposal should follow State Federal guidelines for release reporting

7. Handling and Storage

Advice on protection against fire and explosion	No data available
Incompatible materials	No data available
Hygiene measures	No data available
Technical measures :	No data available
Advice on safe handling	can irritate eyes and skin and handling procedures should avoid direct skin or eye contact
Conditions for safe storage, including any incompatibilities	No data available

Storage conditions	The product should be stored in the original containers in a cool and dry location. Keep from freezing
Storage class	No data available
Specific end use(s)	No data available
Advice on general occupational hygiene	No data available

8. Exposure controls and personal protection

Personal protective equipment :	No data available
Materials for protective clothing :	Protective goggles or a face shield should be worn when mixing or pouring product to avoid any eye or face contact
Engineering Control	No data available
Eye/face protection	avoid any eye or face contact
Body Protection	No data available
Skin protection	No data available
Hand protection	Use protective gloves when handling when any contact with the product is possible.
Respiratory protection	No data available
Other Protection Measure	No data available
Environmental exposure controls	No data available

9. Physical and chemical properties

Physical state	non-combustible, non-toxic, slight viscous liquid
Colour	light lemon to colourless
Odour	No data available
Odor Threshold	No data available
pH	8.0-11
Melting Point	No data available
Boiling Point	No data available
Flash Point	No data available
Evaporation Rate	No data available
Flammability (solid, gas)	No data available
Explosive limits	No data available
Upper/lower flammability or explosive limits	No data available
Autoignition temperature	No data available
Decomposition temperature	No data available
Vapour pressure	No data available
Viscosity	No data available
Density	No data available
Relative Density	No data available
Specific Gravity	No data available
Partition coefficient	No data available
Explosive properties	No data available
Solubility	Completely Soluble
Ignition temperature	No data available
Particle characteristics	No data available
Molecular mass	No data available
Appearance	No data available

10. Stability and reactivity

Reactivity	No data available
Chemical stability	stable water based liquid
Possibilityof hazardous reactions	No data available
Conditions to avoid	is an alkaline, stable water based liquid. However, as with any cleaning product, mixtures with other products should be avoided. Avoid contact with strong acids, and do not store in metallic containers.
Incompatible materials	No data available
Hazardous product dicomposition	No data available

11. Toxicological information

Acute toxicity	is not known to be a carcinogen or toxic
Skin corrosion/irritation	No data available
Serious eye damage/irritation	(Based on available data, the classification criteria are not met) pH: 3.5 - 4.5
Respiratory or skin sensitization	No data available
Carcinogenicity	No data available
Germ cell mutagenicity	No data available
Reproductive toxicity	No data available
Specific target organ toxicity-single exposure	No data available
Symptoms/injuries after inhalation	May cause respiratory irritation
Symptoms/injuries after skin contact :	Slight irritation.
Symptoms/injuries after eye contact :	Slight irritation.
Additional Information	is not known to be a carcinogen or toxic. Overexposure to this product may produce the conditions listed in Section 3. Releases may be reportable under local and state regulations. This product may affect aquatic plants and fish. It should be properly diluted with water before being released into the environment

12. Ecological information

Ecology - general : .

Persistence and degradability	No data available
Toxicity to fish	No data available
Toxicity to daphnia and other aquatic invertebrates	No data available
Toxicity	No data available
Toxicity to bacteria	No data available
Toxicity to algae	No data available
Products Biodegradation	No data available
Mobility in soil	No data available
Results of PBT av PvB assessment	No data available
Endocrine disrupting properties	No data available
Other adverse effects	No data available

13. Disposal considerations

Product	No data available
Contaminated packaging	No data available

Waste treatment Method	is a Non-Combustible Liquid. Should be transport in a non-metallic container. Should be properly diluted with water before disposal or disposal should be conducted in accordance with local and Federal Environmental guidelines.

14. Transport information

UN number	ADR/RID:-	IMDG:-	IATA:-
UN proper shipping name	ADR/RID:Not dengeours goods	IMDG:Not dengeours goods	IATA:Not dengeours goods
Transport hazard classess	ADR/RID:-	IMDG:-	IATA:-
Packaging group	ADR/RID:-	IMDG:-	IATA:-
Environmental hazards	ADR/RID:Yes	IMDG Marine pollutant:Yes	IATA: No
Special precautions for user	No data available		
Further information	No data available		

15. Regulatory information

Safety, health and environmental regulations/legislation specific for the substance or mixture	No data available
Other regulations	No data available
Chemical Safety Assessment	Chemical components of this product are human and environmentally friendly at the proportions

16. Other information

Other Information : HAZARDOUS MATERIALS IDENTIFICATION SYSTEM (HMIS) RATING:

HEALTH	0	Minimal
FLAMMABILITY	0	Slight
PHYSICAL HAZARD	0	Moderate
PERSONAL PROTECTION	B	High
		Very High
